COOP'S VIRTUAL JUKEBOX

OVER 600 MASTERS

Original songs | Multiple genres | Contemporary demonstrations

THE OPPORTUNITY

Discover original compositions presented in a variety of musical styles, with organized song information to simplify creative searches and licensing inquiries.

Over 600 masters represent recording presentations; selected compositions appear in multiple versions. The master count is not a count of distinct songs.

THE SONGS & THE CATALOG

Traditional songwriting. Contemporary presentations. Organized for discovery.

THE SONGWRITING

The underlying songs were originally written without AI and have long been part of the Cooper Cuts Music (BMI) catalog. AI-assisted technology has since been used to create contemporary demonstration recordings in different performance styles.
